- 6.basic needs**
- 7.shelter**
- 8.habitat**
- 9.environment**
- 10.ecosystem**

Date: **Tuesday, November 5th, 2024.**

Key Num

Topic: **Present Perfect Questions (yes/no)**

We use the present perfect to talk about past experiences when we are not specific about when something happened.

EXAMPLES:

- **Have you ever lived** for a week without technology?
- **Have you ever been** on a bus with no driver?

Date: **Wednesday, November 6th, 2024.**

Key Num

Topic: **How can environments change?**

Read and answer the pages 31-33 from your Science book.

Date: **Wednesday, November 6th, 2024.**

Key Num

Topic: **How can environments change?**

The plants and animals are affected by forest fires:

Birds: forest fires destroy shelters and sources of food.

Lower-level plants: more sunlight reaches the forest floor.

Seeding: have a chance to grow.

Some seeds: open when the temperature gets high enough.

Date: **Wednesday, November 6th, 2024.**

Key Num

Topic: **Activity**

Look at the pictures. Which are examples of slow or fast environmental changes? Write the natural cause in the table below:

1

2

3

4

slow change

fast change

Date: **Thursday, November 7th, 2024.**

Key Num

Topic: **Adjectives**

Some adjectives are followed by a preposition, such as about, with, or at.

There isn't a special pattern to these – you just need to learn them!

EXAMPLE

be excited about
be married to
be pleased with
be proud of
be terrible at
be responsible for
be interested in
be different from

Date: **Thursday, November 7th, 2024.**

Key Num

Topic: **Activity**
