Topic: **Defining Relative Clauses**

Defining Relative Clauses give information that is necessary to distinguish which thing/person we talk about

relative pronouns

that	add information about objects or animals
where	add information about places

Relative pronouns are the words that introduce relative clauses. They can act as the subject or the object of the relative clause.

Date: Thursday, September 26th, 2024

Key Num

Topic: **Homework**

Copy the text in your Reading notebook

READING IS THINKING!

CONNECT
This reminds me of...
Use my experiences to help me understand

VISUALIZE
In my mind, I see...
Create mental images as I read

INFER
Use text evidence & what I know to make sense of my reading
This probably means...

PREDICT
Use clues to infer what may happen next
I predict that...

QUESTION
Wonder & search for answers
I wonder...

SUMMARIZE
Determine the important ideas
This is mainly about...

CLUES IN TEXT = EVIDENCE!
