The Story of Thanksgiving

The pilgrims were from England. They came to America on a boat in 1620. The boat was called the Mayflower.

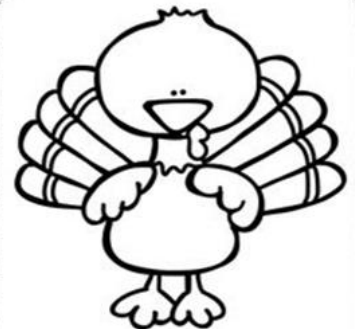

The pilgrims did not have much. The winter was very cold and hard. They needed help.

They met the Native Americans. The Native Americans taught the pilgrims how to farm and get food.

The pilgrims were thankful for the food to eat. They had a feast! Can you guess what they ate?

We celebrate Thanksgiving in November by giving thanks for all that we have.
